

BIKER VIRTUAL RACE EDUCARTE

Art. 1. - Educarte sports services organizes this virtual race #educartevirtualrace for helping vulnerable families

With this initiative we try to incentivize the education of many children whose families were financially affected due to the recent covid 19 side effects, as this situation has been more difficult for the people who lives in the touristic areas.

Art. 2. - #educrtevirtualrace is not a competition race, there will be no winner or loser

The participants of the race must bike 20 kms as marked in the proof modality in #educartevitualrace

Art 3. - Anybody can participate, no matter age, sex , nationality or anywhere you want to do it, just need to bike the 20 kms distance that has been asked for

Art 4.- Enrollment fees are:

- a. General: 15\$ with your donation get a medal for participating
- b. Soidaria: 30\$ Includes special commemorative race mug
- c. Filantropo 60\$ Includes a commemorative mug and a t-shirt of the race

With the money collected we will be helping some economically affected families due to covid 19 with scholarships in the school EDUCARTE in Guanacaste, Costa Rica

Art 5. - Participants commit to

- 1. Accepting the rules of procedure
- 2. Accepting the possible changes in the procedure the organizers suggests
- 3. The enrolment is individual and cannot be given to anyone else and cannot be refund
- 4. At the time you enroll you must read and understand all rules and conditions of procedure explained in this form
- 5. Participants or legal guardian takes entire responsibilities for his/her own health condition, the organization and collaborators involved will not be responsible for any possible damage, physical or health risk, loss of personal belongings, or any other risk that participants may be involved to, renouncing any legal action
- 6. In case of doubt, circumstance or situation that has not been specified in this procedure happens, the organizers of the race will decide what to do about it

Art. 6. – Participants are called to act in good will as it is very difficult to identify the veracity of the distance and time invested by the participant, this is not a competitive race, so, who lies will be lying to him or herself.

As soon as the participant finishes the virtual race might send a photograph of any of the devices used for taking the time and distance, which shows that the race have been done

Art. 7. - Participants must send personal information as name, last names, e-mail address (in case of winning the race, we will need it to contact you), Age and address to the following e-mail: carrera.virtual@educartecostarica.com We will also need a photograph of the place and the distance that has been ran, or any other picture where we can check the place or road of your race we will be sharing The best Photograph through our social media accounts

Art. 8. - by the time you enroll in the race, you accept all the terms and conditions and also accept to transfer or give the rights of any videos and photos that you send as a proof or evidence or with any other purpose to EDUCARTE.

Art. 9. – We will be raffling prizes from the sponsors among the participants who upload photos or videos or both, to their own social media and network and tag our sponsors, using the Hash tags: # **sponsors** o # **sponsors**, we will be giving some options to choose. The way to upload is this: Sponsor + timing for Facebook y @Sponsor for IG), *Due to recent lockdown situation we still don't have next dates yet for what we ask to be patient.

Art. 10. – We will be accepting Photos and videos until..... and will be posting the list of participants and winners the week after.
