WHY A PLAN INSTEAD OF PAYING DAILY

✓ It costs less

Paying per day, 3 meals add up to more than the plan. The plan locks your price for the whole month.

✓ No daily cash

No coins in the backpack, no lost money, no running a tab with the cafeteria.

✓ You see what they ate

Pick the week's menu from the app and check your child's history whenever you want.

✓ They always eat well

No skipped breakfast, no missed lunch because they forgot their money.

Choose whichever option works best for you. Everything is recorded in the app, so you always know what your child has spent.

WAYS TO PAY

Cash

Directly at the La Soda register.

SINPE Móvil

Bank transfer

Ask us for the account details on WhatsApp.

THREE WAYS TO MANAGE THE ACCOUNT

1

MONTHLY PLAN

MOST RECOMMENDED

Pay once a month and your child gets all 3 meals every day. It's the cheapest option and the only one with nothing to handle during the month.

2

PREPAID BALANCE

PAY IN ADVANCE

You leave an amount up front, we track every purchase and message you on WhatsApp when the balance is running low.

3

WEEKLY CREDIT

CONDITIONS APPLY

Your child eats during the week and you settle the total. It requires meeting the payment deadline.

WEEKLY CREDIT RULES

- The account must be settled every FRIDAY.
- If payment is late, credit is withdrawn immediately.
- Overdue balances accrue 10% interest for each week of delay.
- Credit is reinstated only once the account is back to zero.

OUR RECOMMENDATION

The monthly plan is the cheapest and easiest way to pay: fixed price, no daily cash, no weekly deadlines and no risk of interest charges.
